IDENTIFICATION DETAILS

Degree:	Pharmacy
---------	----------

Scope	Pharmacy.
-------	-----------

Faculty/School:	Experimental Science
-----------------	----------------------

Course:	IMMUNOLOGY
---------	------------

Type:	Compulsory
-------	------------

ECTS credits:	6
---------------	---

Year:	3
-------	---

Code:	2530
-------	------

Teaching period:	Fifth semester
------------------	----------------

Area:	Immunology
-------	------------

Module:	Legislation and Social Pharmacy
---------	---------------------------------

Teaching type:	Classroom-based
----------------	-----------------

Language:	Spanish
-----------	---------

Total number of student study hours:	150
--------------------------------------	-----
