SUBJECT DESCRIPTION

La asignatura de Responsabilidad Social tiene, quiere aportar motivos firmes que dimanen de convicciones profundas que procedan del descubrimiento de la dignidad del ser humano y que puedan motivarnos a medio y largo plazo en nuestro quehacer profesional y en nuestra vida personal. Se trata de que de forma consciente pongamos nuestra capacidad y conocimientos para que el trabajo diario contribuya al bien común, a la justicia social, en definitiva, a transformar la sociedad en el entorno, más o menos extenso que nos competa, hoy como universitarios y mañana como profesionales.

Cross Skills

To develop criteria for problem-solving and decision-making both on a professional and personal level.

To nurture an attitude of intellectual curiosity and a quest for truth in all areas of life.

To nurture attitudes of leadership and social responsibility in personal and professional performance.

To be able to apply the foundations and conceptual instruments necessary to establish dialogue between different positions as a means of ensuring healthy, civil coexistence.

To be able to assess knowledge acquired.

LEARNING RESULTS

To identify the basic principles of ethics and bioethics and apply them both on a personal and professional level.

To appreciate the process of personal development, setting goals to be attained by means of an action plan.

To develop a specific shared social service project.
