## SUBJECT DESCRIPTION

El Trabajo Fin de Grado (TFG) supone la realización de un trabajo individual o en grupos, bajo la supervisión de un tutor asignado al inicio de la asignatura. El tutor deberá ser un facilitador para que el alumno sea capaz de despertar su motivación hacia un tema relacionado con alguno de los contenidos formativos del grado y ayudarlo a descubrir a través de la búsqueda científica y crítica de la bibliografía existente para poder decidir la mejor intervención en la búsqueda del bienestar bio-psico-social y espiritual del paciente.

## LEARNING RESULTS

To be familiar with the most suitable research methodology for preparing basic initial projects in the field of health sciences.

To present and defend an end of degree project before the university tribunal that involves the integration of the educational content taught and the skills acquired.
