SUBJECT DESCRIPTION

Modern Language is a compulsory course, which carries 6 ECTS credits, implying 150 hours of dedication on the learner's part. It is taught in the fourth Semester of the second year of Business Administration and Management studies. This course is embodied within the Area of Idiomas and within the module: Business management and human development tools. Modern Language forms part of a well rounded, integral education focused on the learner in all of his or her harmoniously integrated dimensions (intelligence, will, emotional nature, sociability, abilities, skills...).

SKILLS

Basic Skills

Students must have demonstrated knowledge and understanding in an area of study that is founded on general secondary education. Moreover, the area of study is typically at a level that includes certain aspects implying knowledge at the forefront of its field of study, albeit supported by advanced textbooks

Students must be able to apply their knowledge to their work or vocation in a professional manner and possess skills that can typically be demonstrated by coming up with and sustaining arguments and solving problems within their field of study

Students must have the ability to gather and interpret relevant data (usually within their field of study) in order to make judgments that include reflections on pertinent social, scientific or ethical issues

Students must be able to convey information, ideas, problems and solutions to both an expert and non-expert audience

Students must have developed the learning skills needed to undertake further study with a high degree of independence

General Skills

Ability to carry out synthetic and analytical thought.

To seek, find and analyse diverse information from various sources.

To develop oral and written communication skills in a native and foreign language.

Specific skills

To analyse and appreciate the key ideas and content of all manner of texts; to discover the ideas, issues and messages incorporated within them and to make critical judgments about their form and content.

To be able to read, analyse and easily interpret graphs, tables and texts.

To use the English language for professional development in an international context.

To develop oral and written communication skills.

Develop critical thinking skills.
