Teaching type:	Classroom-based		
Language:	Spanish		
Total number of student study hours:	150		

## SUBJECT DESCRIPTION

--

## SKILLS

### Basic Skills

Students must have demonstrated knowledge and understanding in an area of study that is founded on general secondary education. Moreover, the area of study is typically at a level that includes certain aspects implying knowledge at the forefront of its field of study, albeit supported by advanced textbooks
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Students must be able to apply their knowledge to their work or vocation in a professional manner and possess skills that can typically be demonstrated by coming up with and sustaining arguments and solving problems within their field of study

Students must have the ability to gather and interpret relevant data (usually within their field of study) in order to make judgments that include reflections on pertinent social, scientific or ethical issues

Students must be able to convey information, ideas, problems and solutions to both an expert and non-expert audience

Students must have developed the learning skills needed to undertake further study with a high degree of independence

### **General Skills**

To be familiar with the substantive content of legal disciplines and all supplementary fields.

To apply theoretical knowledge in the solving of problems.

To learn independently.

To communicate orally and in writing within different contexts, using technical language when the situation calls for it.

### **Specific skills**

To be familiar with legal concepts, institutions and relations and their foundations.

To achieve a perception of unitary nature of the legal system and the need for an interdisciplinary view of legal problems.

To create and develop criteria for problem-solving and decision-making.

To use constitutional principles and values to interpret the law.

To develop skills for legal oratory and to be able to express oneself suitably before an audience.

To draft legal texts and other documents of interest to the university community in a clear, precise manner using legal terminology correctly.

## **DISTRIBUTION OF WORK TIME**

CLASSROOM-BASED ACTIVITY	INDEPENDENT STUDY/OUT-OF-CLASSROOM ACTIVITY
60 hours	90 hours
