Area:	Administrative Law		
Module:	Public Law		
Teaching type:	Blended learning		
Language:	Spanish		
Total number of student study hours:	75		

## SUBJECT DESCRIPTION

--

## SKILLS

### Basic / general / cross skills

Students must have demonstrated knowledge and understanding in an area of study that is founded on general secondary education. Moreover, the area of study is typically at a level that includes certain aspects implying knowledge at the forefront of its field of study, albeit supported by advanced textbooks
---

Students must be able to apply their knowledge to their work or vocation in a professional manner and possess skills that can typically be demonstrated by coming up with and sustaining arguments and solving problems within their field of study

Students must have the ability to gather and interpret relevant data (usually within their field of study) in order to make judgments that include reflections on pertinent social, scientific or ethical issues

Students must be able to convey information, ideas, problems and solutions to both an expert and non-expert audience

Students must have developed the learning skills needed to undertake further study with a high degree of independence

To be familiar with the substantive content of legal disciplines and all supplementary fields.

To apply theoretical knowledge in the solving of problems.

To acquire an ability for analysis, synthesis, assessment and critical reasoning.

To learn independently.

To communicate orally and in writing within different contexts, using technical language when the situation calls for it.

### Specific skills

To be familiar with legal concepts, institutions and relations and their foundations.

To achieve a perception of unitary nature of the legal system and the need for an interdisciplinary view of legal problems.

To identify the vocabulary specific to the legal, political, economic and philosophical fields.

To handle (legal, jurisprudential and doctrinal) law sources applicable to the matter of study.

To be able to approach a subject by means of rigorous, profound and comprehensive thought, with capacity for analysis and synthesis.

To draft legal texts and other documents of interest to the university community in a clear, precise manner using legal terminology correctly.

### DISTRIBUTION OF WORK TIME

CLASSROOM-BASED ACTIVITY	OUT-OF-CLASSROOM ACTIVITY
9 hours	66 hours
