Type:	Optional	ECTS credits:	3
Year:	3	Code:	7275
Teaching period:	Sixth semester		
Area:	Political Law		
Module:	Public Law		
Teaching type:	Classroom-based		
Language:	Spanish		
Total number of student study hours:	75		

## SUBJECT DESCRIPTION

La primera parte del temario explica la definición de Derecho Eclesiástico Español y su diferencia con el Derecho Canónico.

Para ello, parte del temario de la asignatura trata de explicar a través de la Historia cuáles han sido las relaciones Iglesia y Estado para llegar finalmente a la definición que hoy en día tenemos de dicha rama del Derecho.

La segunda parte es fundamental dado que se hace un estudio profundo de las fuentes y principios que rigen el Derecho Eclesiástico Español.

Una vez asimilados los contenidos anteriores, se estudian el Derecho de libertad religiosa como centro de la asignatura y cuáles son sus manifestaciones teniendo en cuenta los acuerdos y relaciones que al respecto tiene

la Iglesia Católica con el Estado Español así como las demás confesiones religiosas existentes en España. En este tercer apartado se estudian temas como la objeción de conciencia, la tutela de la libertad religiosa, la enseñanza y asistencia religiosa, financiación y régimen económico de las confesiones existentes en España, y su diferencia con las sectas.

## **SKILLS**

### **Basic Skills**

Students must have demonstrated knowledge and understanding in an area of study that is founded on general secondary education. Moreover, the area of study is typically at a level that includes certain aspects implying knowledge at the forefront of its field of study, albeit supported by advanced textbooks

Students must be able to apply their knowledge to their work or vocation in a professional manner and possess skills that can typically be demonstrated by coming up with and sustaining arguments and solving problems within their field of study

Students must have the ability to gather and interpret relevant data (usually within their field of study) in order to make judgments that include reflections on pertinent social, scientific or ethical issues

Students must be able to convey information, ideas, problems and solutions to both an expert and non-expert audience

Students must have developed the learning skills needed to undertake further study with a high degree of independence

### **General Skills**

To be familiar with the substantive content of legal disciplines and all supplementary fields.

To research, manage sources and handle information.

To develop the areas needed to promote teamwork, adapting to new situations, being tolerant, and developing ethical behaviour and social commitment.

### **Specific skills**

To be familiar with legal concepts, institutions and relations and their foundations.

To handle (legal, jurisprudential and doctrinal) law sources applicable to the matter of study.

To work in teams, actively contributing to group tasks and objectives.
