Type:	Compulsory	ECTS credits:	6
Year:	4	Code:	3267
Teaching period:	Seventh semester		
Area:	Journalistic Reporting and Digital Communication (Design)		
Module:	Communication Tools		
Teaching type:	Classroom-based		
Language:	Spanish		
Total number of student study hours:	150		

SUBJECT DESCRIPTION

La asignatura consta de dos bloques principales:

Un primer bloque en el que se trabajarán los géneros de opinión: editorial, columna periodística, artículo firmado y crítica.

Un segundo bloque, en el que se prestará atención al análisis riguroso al tratamiento informativo de noticias de actualidad. Para ello, se invitará al alumno a hacer un ejercicio de juicio crítico con herramientas que ayuden a combatir la desinformación y la generación de fake news.

Además de lo anterior, en la asignatura se trabajará la cobertura de eventos y elaboración de notas de prensa.

SKILLS

Basic Skills

Students must have demonstrated knowledge and understanding in an area of study that is founded on general secondary education. Moreover, the area of study is typically at a level that includes certain aspects implying knowledge at the forefront of its field of study, albeit supported by advanced textbooks

Students must be able to apply their knowledge to their work or vocation in a professional manner and possess skills that can typically be demonstrated by coming up with and sustaining arguments and solving problems within their field of study

Students must have the ability to gather and interpret relevant data (usually within their field of study) in order to make judgments that include reflections on pertinent social, scientific or ethical issues

Students must be able to convey information, ideas, problems and solutions to both an expert and non-expert audience

Students must have developed the learning skills needed to undertake further study with a high degree of independence

General Skills

To discover, evaluate and compare the various answers regarding existential questions concerning the individual and the community with one's own perspective.

To develop the ability to carry out informative duties as a director or press editor in any traditional or electronic media format, either as a freelancer, employee or through self-employment schemes.

To develop the ability to act as the leader of institutional communication, as the leader of communication management in an organisation or as a website manager, content editor or communication consultant.

Specific skills

To master and develop the practice of journalism in multimedia environments and the Internet.

To acquire the ability to use specific informative techniques and tools, applied to processes of informative or promotional production.
