SUBJECT DESCRIPTION

Responde al cumplimiento de los compromisos adquiridos por la universidad en la Declaración de Bolonia permitiendo al alumno elegir, en función de sus intereses, la realización de actividades diversas de carácter formativo en orden a la flexible configuración de su currículum. Con ello, además, se pretende valorar la capacidad formativa de la "actividad de vida universitaria no formal" en sus diversas manifestaciones, aprovechando la oportunidad que ofrece el Espacio Europeo de Educación Superior.

SKILLS

Basic Skills

Students must have demonstrated knowledge and understanding in an area of study that is founded on general secondary education. Moreover, the area of study is typically at a level that includes certain aspects implying knowledge at the forefront of its field of study, albeit supported by advanced textbooks

Students must be able to apply their knowledge to their work or vocation in a professional manner and possess skills that can typically be demonstrated by coming up with and sustaining arguments and solving problems within their field of study

Students must have the ability to gather and interpret relevant data (usually within their field of study) in order to make judgments that include reflections on pertinent social, scientific or ethical issues

Students must be able to convey information, ideas, problems and solutions to both an expert and non-expert audience

Students must have developed the learning skills needed to undertake further study with a high degree of independence
